SERIES 2 FATHERS BY CANARY WHARF

CANARY WHARF

In the second series of her memoirs Canary focuses on the new residential district that will bring over 3000 new homes to Canary Wharf. Taking us once more into her extraordinary domestic sphere we meet fathers who have helped transform Canary Wharf from a great place to work into a great place to live. But it's not just the Canary Wharf Estate that is going through a live work revolution. Canary is too, and she is doing so well. Read about how in 'Canary Wharf Residential.'
